

Chemical Engineering Journal

Special Issue on ISCRE 28

ISCRE

International Symposia on Chemical Reaction Engineering, Inc.

Letter of Invitation

Dear Participant of ISCRE28

We are pleased to invite you to submit an **original paper** for publication a **Special Issue of Chemical Engineering Journal (CEJ)** on a topic related to your communication at the ISCRE 28 Conference that took place held 16-19.6.2024 in Turku/Åbo Finland.

Please note that all submissions to Chemical Engineering Journal are handled exclusively via the web-based Editorial Manager®, i.e. the submission, review and decision processes are managed entirely online. To submit your manuscript after receiving this invitation, please click on the following link, which will take you directly to the journal's online submission homepage, then select **Article Type = VSI:ISCRE 28**.

<https://www.editorialmanager.com/cej/default2.aspx>

This invitation letter has to be uploaded with the full manuscript

Submissions are now open and will **close on 31 October 2024**.

Please note that you should suggest at least 5 potential referees (with email address) who can help to review your manuscript. Consider having separate files (text, cover letter, graphical abstract, list of suggested reviewers, letter of invitation, etc.) ready before starting the process. Please, mention in the cover letter that the manuscript is intended to the ISCRE28 Special Issue of the journal. We recommend that you read the Guide for Authors before submitting your manuscript:

<https://www.sciencedirect.com/journal/chemical-engineering-journal/publish/guide-for-authors>

Thank you for creating and sharing science with the paper submission. We wish you good luck with the publication process!

We are honoured to serve as co-guest editors of the CEJ and the special issue VSI:ISCRE 28.

Co-guest editors

Professor Tapio Salmi and Professor Juan García
